

TECHNICAL DATA SHEET – HPC 233 DC1 DECK CLEAN

DESCRIPTION:

A water soluble degreaser formulated to remove staining and general grime from concrete floors and other hard surfaces.

ADVANTAGES:

Will effectively remove staining from concrete floors. It can be used for floors, walls and a wide variety of hard surfaces. Will also remove general grime from painted surfaces.

COLOUR:

Straw coloured foaming liquid.

PACK SIZE

Supplied in 5 litres cans.

COVERAGE RATES:

Should be applied at 2.4 m²/Litre (12m²/ 5 Litres).

SURFACE PREPARATION:

Areas to be cleaned should be wetted prior to application to prevent streaking.

APPLICATION:

Mix DC1 - Deck-Clean with 4 parts water when using through hot water pressure washers, and equal parts water when used through cold machines. Rinse thoroughly. For washing down paintwork and other hard surfaces use at 40 parts water, depending upon the soil to be removed. After allowing time to penetrate, the product can be rinsed away leaving the surface free from grease and dirt. Do not allow Deck Clean to dry onto paintwork

STORAGE:

Store away from direct sunlight and sources of heat. Protect from frost.

SHELF LIFE:

12 months (in original sealed container).

HEALTH & SAFETY:

Refer to MSDS
