

TECHNICAL DATA SHEET – HPC 232 PC1 PAVE CLEAN

DESCRIPTION:

A specially formulated blend of solvents and detergents developed to clean outdoor paving and hard landscape surfaces.

ADVANTAGES:

Will effectively remove all types of soiling, pollution, greasy stains, chewing gum and even the greasy stains left after the removal of chewing gum.

USES:

For all types of paving and hard landscaping.

COLOUR:

Pink viscous liquid, virtually odourless

PACK SIZE

Supplied in 5, & 25 Litres

APPLICATION:

A preliminary test on a small area is advised. Shake the container well before use. Depending upon the level of contamination use the product neat or diluted in a ratio of 1:5 with water. Generously spray the surface to be treated using a low pressure pump up spray. Leave until surface contamination reacts 5-30 minutes depending on surface resistance. Brushing with a stiff bristled brush or deck scrubber may improve the effectiveness of the product. Rinse by power washing with clean water and allow to dry. For extra effectiveness use hot water for rinsing.

STORAGE:

Store away from direct sunlight and sources of heat. Protect from frost.

SHELF LIFE:

12 months (in original sealed container).

HEALTH & SAFETY:

Refer to MSDS
